

JORGE PINTO

JUNIOR SOFTWARE DEVELOPER - PORTUGAL

About me

Junior Software Developer with a background in engineering and telecommunications.

Experience in Swift / SwiftUI, REST APIs, Docker and basic full-stack development.

Motivated to grow as a full-time developer and contribute to real-world software projects.

Languages

- Portuguese - Native
- English - B1 (Updating)
- German - A1 (Updating)
- Spanish - A1

Hard Skills

- Programming
- Microcontrollers
- System Debugging

Soft Skills

- Determination
- Creativity
- Organization
- Team Work

Technical Skills

- Swift
- C++
- C
- Java
- Python
- C#
- Assembly
- Docker
- APIs
- REST
- React (basic)
- Git
- Postgres

Education

● **2022 - Now**

Degree in Informatic and Telecommunications Engineering level 6 - (grade: 15)

Escola de Tecnologia e Gestão de Lamego, Lamego
Relevant coursework:

- Programming,
- Data Structures,
- Computer Networks,
- Systems

● **2015 - 2017**

Course in Higher Technician in Electricity and Automation (grade: 15)

Escola de Tecnologia e Gestão de Águeda, Águeda
Learned about general industrial electric wiring and equipments

- Industrial Automation PLC
- Robotic Programming ABB
- Network Computer Configuration IPV4
- Cisco IOS

● **2010 - 2013**

Professional Course in Technician in Electronic and Automation

Escola Secundária de São Pedro do Sul, São Pedro do Sul

- Electronic Circuit Construction
- Automation
- Electronic and Electrical Schematic

Frameworks

- SwiftUI
- Next

Software Tools

- Clion
- Visual Studio Code
- Microsoft Visual Studio
- Android Studio
- Xcode
- Docker
- Microsoft SQL Server
- Office Tools
- pgAdmin
- Cisco Packet Tracer
- Solidworks
- Fusion 360
- Blender

Other Knowledge

- Web Technologies
- Networking IPV4 / IPV6
- Microcontrollers (ESP32, Arduino, Raspberry Pi)

Experience

● **02/2025 - Now**

Internship at Teletab Mobile Marketing Agency

Junior Full Stack, Braga

Api Rest,
Docker,
React,

Mobile Development in iOS:
- App SignBox,
- App Family Together

● **2013 - 2024**

Other Professional Experience

Telecommunications & Electrical Technician, Portugal, Spain, Germany, Denmark, USA

- Experience in telecommunications, networking and industrial systems

- Strong background in troubleshooting, critical systems and teamwork

- International projects in Germany, Spain, USA and Denmark

Relevant Marks and subjects

Final Project: iOS App – Family Together (SwiftUI)

Personal Interests

- Personal Software Projects
- Electronics (ESP32)
- Continuous Learning
